Sir:

In response to the Office Action dated July 31, 2002 please amend the above-identified patent application as follows:

IN THE SPECIFICATION:

Please change the paragraph starting on page 43, line 26 to the following:

The machining navigation apparatus 2 according to the present invention is employed to aid the composition of a machining program PRO in a machining center 1. However, the present invention may also be applied to other types of machine tools, such as a lathe, an electric discharge machine, and a laser cutting machine to aid the composition of a machining program. In such cases, the contents and values of the
